

CORVETTE GAZETTE – MARCH 2020

Central Oklahoma Corvette Club

From the President

The weather is warming up and Spring is almost here. Before long it will time to get the Corvettes out and enjoy the weather. Car Show Season is here and we have a lot of shows and other events on the calendar. And I am happy I get to look at two new Corvettes on the March page of our COCC calendar.

It looks like the C8s have started shipping to dealers so keep your eyes open for the new Corvette out on the roads. It will be fun to start the next era of Corvette!

Our 2020 Corvette Round Up is less than three months away - please register early to get your place in the show. Check our website for information, registration forms, etc. We will also have everything you need to get signed up at the monthly club meetings. This is the club's biggest fundraiser of the year so please come out and help us raise money to share with the local charities later in the year. Even if you are not sure you can make the show, please consider signing up anyway and look at as a contribution to our charities.

Our calendar also has some other great events – see below for more information.

Remember, you can always keep up with the club, our activities, photos, etc. via our website and Facebook group – here are the links.
